ARTICLE 1 – PURPOSE

- 1.01 The general purpose of this Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labour relations for the mutual interest of the Employer, the employees and the Union.
- 1.02 The Employer and the Union recognize that gaming is a unique part of the hospitality industry requiring the highest level of service and value to its customers. The Employer and the Union recognize that the success of the Employer and the job security of the employees depends upon the Employer's success in this regard.
- 1.03 The Employer and the Union recognize that the operation of the Slots is regulated by the Alcohol and Gaming Commission of Ontario (hereinafter referred to as the "A.G.C.O."), and maintaining the integrity and security of the industry is of paramount importance.
- 1.04 This Agreement sets forth the entire Agreement on pay, hours of work and other terms and conditions of employment. Amendments to this Agreement may only be made in writing on the agreement of both parties. There are no representations or practices made arising prior to the first collective agreement that affect the rights of the parties and employees, save and except those specifically set out in this Agreement.

ARTICLE 2 – RECOGNITION

- 2.01 The Employer recognizes the Union as the sole and exclusive bargaining agent of all Security Officers employed by Gateway Casinos & Entertainment Limited at Gateway Casinos Innisfil in the Town of Innisfil, Ontario, save and except Supervisors, persons above the rank of Supervisor, surveillance staff, office and clerical staff and students employed during the school vacation period.

In the event the Employer closes its existing operation at Gateway Casinos Innisfil and relocates within the Central Gaming Bundle further delineated as Zone C5, then it will recognize the Union as the representative of the employees as described in the scope, at the new location.

- 2.02 Dual Rate Supervisors

The Employer may post for and select employees to be pre-qualified to act in the capacity of a Supervisor (Dual). The employee will not lose any seniority under this Agreement while working outside the bargaining unit in this capacity and will continue to pay an amount equal to the dues that would have paid in his or her bargaining unit position.

The Employer will not agree to limits on the duties in the capacity of Supervisor or selection of a Dual Rate Supervisor. The Dual Rate Supervisor will not issue discipline or access employee personnel files. A Dual Rate Supervisor will not act as a Union Steward while working as a supervisor.

Where a Dual Rate Supervisor wishes to relinquish his or her supervisory role and return to the base position, he or she will provide notice in writing and will be returned to the base position as soon as a replacement Dual Rate Supervisor has been hired and received any necessary license and gaming registration, but in any event within four (4) months of providing notice.

At any point, if the employee and the Employer agree or if the employee is not meeting the Employer's expectations as a Dual Rate Supervisor, the employee will be returned to their bargaining unit position without loss of seniority.

Dual Rate Supervisors will select vacation independently of Supervisors and their bargaining unit position, as this role forms part of the system of ensuring that there is adequate coverage. This system will have regard to their seniority in the bargaining unit role. Dual Rate Supervisors' vacation pay calculation will be based on the ratio of time spent as a Dual.

A Dual Rate Supervisor, when requested to act in the capacity of a Supervisor while at work, shall remain in the Supervisor capacity for the balance of his or her shift.

Dual Rate Supervisors will be paid based on their bargaining unit hourly rate with an additional amount of pay established by the Employer for each hour worked in the Dual role and responsibilities. The Dual Rate Supervisors will continue to be part of the bargaining unit and will continue to pay dues in accordance with the dues structure based on all hours worked and the bargaining unit position rate of pay regardless of hours worked outside the bargaining unit role.

ARTILCE 3 – STRIKES AND LOCKOUTS

- 3.01 The Union will not cause or permit its members to cause, nor will any members of the Union take part in any sit down, stay in, or slow down in any premises of the Employer, or any curtailment of work or restriction of or interference of the operations of the Employer. The Union will not cause or sanction its members to cause, nor will any member of the Union take part in any strike or stoppage of any of the Employer's operations or picket any of the Employer's facilities or premises during the term of this Agreement.
- 3.02 The Employer shall not call or authorize or threaten to call or authorize a lockout and no officer, official, or agent of the Employer shall counsel, procure, support or encourage a lockout or threaten a lockout during the term of this Agreement.
- 3.03 For the purpose of this Article, "strikes" and "lockouts" are as defined in the *Ontario Labour Relations Act*.

ARTICLE 4 – COPY OF AGREEMENT

- 4.01 The Employer will pay the costs of printing a booklet copy of the Collective Agreement and the Union will have the printing completed. A copy will be provided to all seniority employees. As well, the Employer will provide the Union a .pdf format (with signatures) and

MS Word format (with typed names of signatures) of the final Agreement. The Collective Agreement will be finalized and printed within twelve (12) weeks following ratification. In addition, the Employer will make a benefit booklet available online and will place a copy in the Security Office. Upon request, a copy of the benefit booklet can be printed for an employee by Human Resources.

ARTICLE 5 – UNION SECURITY

- 5.01 During the life of this Agreement, the Employer will deduct from the earnings of each employee covered by this Agreement, Union initiation fees and dues prescribed by the constitution and by-laws of the Union. At the end of each calendar month and prior to the twentieth (20th) day of the following month, (except this may not always be possible where payroll is in the last five (5) days of the month), the Employer shall remit the Local portion of dues by cheque or by electronic payment to the Financial Secretary of Unifor Local 1090, and the National portion of dues by cheque or by electronic payment to the National Union, the total of the deductions made.

- 5.06 The Union and the employees consent to the collection, use, retention and disclosure of such employment related information as is necessary for the administration and management of the employment relationship (including benefits) and this Collective Agreement under the *Personal Information Protection and Electronic Documents Act*.
- 5.07 The Employer will provide the Union the following information with each dues cheque:
- (a) Names of employees who acquired seniority during the month;
 - (b) Employees transferred into or out of the bargaining unit during the month;
 - (c) Employees on leaves, disability leave and/or Workplace Safety and Insurance during the month and the date of the occurrence;
 - (d) Employees on layoff at the end of the month;

5.08 Upon the request of the Chairperson, the Employer will provide, no more than once every three (3) months, a list of all employees with name, address, email addresses, if known, telephone number, status, classification and date of hire.

ARTICLE 6 – MANAGEMENT RIGHTS

6.01 The Union acknowledges that, except as limited by the express language of the Agreement, it is the exclusive right of the Employer to:

- (a) Maintain order, discipline and efficiency;
- (b) Hire, transfer, classify, assign, appoint, promote, demote, evaluate, train, develop, layoff and recall employees, and to suspend, discharge or otherwise discipline employees for just cause subject to the right of any employee to lodge a grievance in the manner to the extent as herein provided;
- (c) Probationary employees may be discharged during the probationary period and such discharge shall not be subject to the grievance procedure, unless the Union demonstrates such discharge was made solely in bad faith;
- (d) Generally to manage the enterprise in which the Employer is engaged and without restricting the generality of the foregoing, the right to plan, direct and control operations, facilities, programs, systems and procedures, direct its personnel, determine complement, organization, methods and the number, location and classification of personnel required from time to time, the number and location of operations, buildings, equipment and facilities, the services to be performed, the scheduling of assignments and work, the extension, limitation, curtailment or cessation of operations and all other rights and responsibilities not specifically modified elsewhere in this Agreement; and
- (e) Make, enforce, and alter from time to time policies, reasonable rules and regulations to be observed by the employees. These shall not be inconsistent with the express terms of this agreement and will only be in force after they have been made available to the employees. The Union will be provided with five (5) days notice in advance, except in exceptional circumstances, of the effective date of any new policy, rule or regulation to be observed by employees.

ARTICLE 7 – UNION REPRESENTATION

7.01 The Union shall have the right to elect or appoint and the Employer shall recognize a bargaining committee of up to three (3) members, one of whom shall be the Unit Chairperson.

In the event of a layoff, these three (3) Union Committee Persons shall be granted the highest seniority in the Slots notwithstanding their actual seniority status. The Union may assign responsibilities to the Committee Persons and will inform the Employer of any specific roles (eg: benefits, safety, WSIB, etc.).

- 7.02 The Employer will provide a locking filing cabinet for the use of the Union Committee Persons.
- 7.03 Upon receipt of notice from the Union and subject to ensuring coverage, the Employer will provide a cumulative total of five (5) hours of release time from regular duties each week which may be used by the Unit Chair and or the Committee Persons as appropriate. The Committee Persons shall inform their Supervisor when they return to work from Union business. The Employer will maintain the employee's rate of pay, benefits, vacation, and holiday pay and they will continue to accrue seniority as if working in their classification and status.
- 7.04 For the purposes of Union representation, the Employer shall also recognize one (1) Union Steward (or alternate in her or his absence) on each shift. Union Representatives shall be bargaining unit employees in the Security Department of Gateway Casinos Innisfil with seniority. Following any election or appointment by the Union, a list of these Representatives will be supplied to the Employer.
- 7.05 The Union Stewards and the Committee Persons, to whom they report, will be authorized to deal with Union business including but not limited to grievances and health and safety issues.
- 7.06 Union Committee Persons and Stewards have a responsibility to the Employer for his or her regular duties. A Steward or Committee Person will request permission from his or her Supervisor before leaving his or her work to attend to, investigate, write or present a grievance or complaint. Such leave, which will not be unreasonably denied, will be granted where it can reasonably be done without interfering with the operations of the Employer. The Steward/Committee Person must report back to his or her Supervisor when any Union business is completed and will take no more time than is absolutely necessary during regular working hours. When an employee wants Union Representation, he or she will call on a break, unless there is an immediate threat to health and safety.
- 7.07 The Union will be responsible for ensuring that there is Union representation on shift and/or will ensure that a Union Representative is present when required on no less than two (2) hours of notice by the Employer. The Employer will provide notice to one of the Committee Persons or Stewards on site, and if there are none will call any number directed by the Union for such circumstances. In exceptional circumstances where there is no Union representative on site, the Employer will pay the Union Representative for time spent dealing with the issue at their regular straight time rate of pay. The Union may also have a Union Representative provide representation via telephone or video conference. If no Steward is available then the Employer may proceed without a Union Representative despite any express provisions in this Agreement and will notify the Union of any action taken.
- 7.08 It is understood that periodically the Union holds elections within the Union structure. The Chairperson will notify the Employer of upcoming elections. The Employer, upon request, will provide the Union with an updated seniority list. There will be no posting of posters or

campaigning save and except on the Union bulletin board. The Union may request and, if it is available, the Employer will provide a room on site for the vote.

- 7.09 A National Union Representative and/or Local Union Representative may be present and participate in any meeting between the Union Committee and the Employer upon advance notice. Union Representatives registered with the AGCO may provide assistance to employees subject to any limitation imposed by the registration but will not interfere with the Employer's operation. Union Representatives will not visit with employees in the bargaining unit nor attend non-public areas during working hours without appropriate arrangements being made with the Human Resources Manager. The Union Representatives agree to inform the Employer of any loss or suspension of their Registration and agree to cease all activities until reregistered.
- 7.10 It is understood the Employer will only be required to deal with the Committee Persons and Stewards of Gateway Casinos Innisfil or an AGCO registered representative of the Union.
- 7.11 The Employer will recognize an alternate Representative to replace the Chairperson and either of the two (2) Committee Persons when they are absent for in excess of six (6) days due to vacation, sickness, or approved leave of absence/union leave.
- 7.12 The Employer agrees to recognize a Union Negotiating Committee, comprised of a National Union Representative, a Local Union Representative and the three (3) Union Committee Persons for the purposes of negotiating the renewal of the Agreement. Upon the provision of at least two (2) weeks of notice and as far as advance as is reasonably possible, the Negotiating Committee will be granted leaves of absence with the continuation of pay, benefits and pension for all negotiating and caucus days set by the Union. The Employer will bill the Union for these days.

ARTICLE 8 – JOINT UNION MANAGEMENT MEETINGS

- 8.01 Joint Union Management Meetings (JUMM) will be arranged between the Union Committee and the Employer on a regular basis but not less than every three (3) months. An agenda of items to be discussed at a Joint Union Management Meeting will be exchanged on the day preceding the meeting. Either the Employer or the Union can request a Joint Union Management Meeting in writing on at least seven (7) days notice. It is specifically understood that grievances shall not be the proper subject matter to be discussed at such a meeting. A National Union Representative and/or Local Union Representative may be present at a Joint Union Management Meeting. Union Representatives attending a Joint Union Management Meeting will be paid at their regular hourly rate for time spent at such meetings.
- 8.02 The Employer and the Union committee will be responsible for taking minutes for these meetings. A copy of the minutes will be sent to the other party within seven (7) working days for review and approval.

ARTICLE 9 – SENIORITY

- 9.01 Seniority is based on continuous time spent in the bargaining unit as of most recent date of hire.
- 9.02 There will be one seniority list upon which each non probationary employee will be provided with a Seniority Date which reflects the last date of hire at Gateway Casinos Innisfil as a Security Officer and will determine their job security.
- 9.03 New employees of the Employer shall be considered as probationary employees until they have completed five hundred and twenty (520) actual hours worked as a Security Officer in any period of eighteen (18) consecutive months. Upon completion of the probationary period, the employee will acquire seniority and will be given seniority dates which shall be based on the employee's date of hire as a probationary employee. The seniority list will be revised by the Employer and the Union every three (3) months and shall be given to the Chairperson of the bargaining unit for posting on the Union bulletin board.
- 9.04 An employee attaining seniority shall have thirty (30) days from the posting of the first seniority list containing their name to advise the Employer of any errors with respect to their respective seniority dates. Thereafter, the employee shall be deemed to have accepted the seniority dates posted.
- 9.05 Where two (2) or more employees have the same service and seniority date, they shall be placed on the seniority list in an order determined by lottery. The lottery will be conducted by a Union Representative by arrangement between the parties and will be provided to the Employer on the day of the draw. Previous Lottery dates for same date of hire stand as is.
- 9.06 The Employer may terminate the employment of a probationary employee so long as the termination does not occur solely for bad faith.

ARTICLE 10 – LOSS OF SENIORITY AND EMPLOYMENT

- 10.01 The seniority rights and employment of any employee shall cease for any of the following reasons:
- (a) If an employee voluntarily quits the employ of the Employer or retires;
 - (b) If an employee is discharged for just cause and such employee is not reinstated pursuant to the provisions of the grievance procedure;
 - (c) If an employee abandons work without permission and without properly calling in for a period of more than three (3) consecutive working days, and does not provide satisfactory reason for both the failure to report for work and the failure to call-in;
 - (d) If an employee fails to report for work in accordance with a notice of recall seven (7) days after a registered mailing of such notice, without satisfactory reason;

- (e) If an employee is laid off for a period in excess of a twenty four (24) month period, is not recalled and is provided with any severance and notice required;
- (f) If an employee fails to report for work upon the expiration of any leave of absence, without satisfactory reason;
- (g) If an employee works at other employment during a leave of absence without permission;
- (h) An employee's gaming registration is revoked by the AGCO.

ARTICLE 11 – LAYOFF AND RECALL

- 11.01 Where possible, the Employer will give seventy-two (72) hours' notice of layoff to the affected employee(s) and the Union.
- 11.02 Whenever it becomes necessary to reduce the workforce by layoff, the following procedure will apply:
 - (a) Probationary employees will have their employment ended.
 - (b) Temporary Assignments will end.
 - (c) Seniority rated employees will be laid off as set out below.

Part-time Employees

In the event one or more part-time employees are identified for a layoff of in excess of fourteen (14) days, the following procedure will apply:

- (a) The junior part-time employee in the department by Seniority Date will be laid off. Notice to one employee will be notice to all and the junior employee(s) laid off will be provided with a Record of Employment and will await recall.

Full-time Employees

In the event one or more full-time employees are identified for a layoff of in excess of fourteen (14) days, the following procedure will apply:

- (a) The full-time employee with the lowest Seniority Date will use his or her Seniority Date, if he or she is willing, to bump the most junior part-time employee in his or her classification, seniority permitting, or may accept layoff.
- (b) Any most junior part-time employee impacted by (a) above, will have the rights in the part-time provisions above.
- (c) Notice to one employee will be notice to all and the junior employee(s) laid off will be provided with a Record of Employment and will await recall.

- (d) All impacted employees (who have been displaced but not actually laid off) will be granted a one time right to use his or her seniority to return to the position and status that they were displaced from when there is next availability.
- (e) Once the bumping process is complete, full-time employees bumping into positions will select their respective shift schedule in order of seniority.

11.03 Voluntary Layoff

An employee who has not received a notice of layoff may make an offer of voluntary layoff where there is another employee who has received notice of layoff. If such request is made before the layoff has become effective and is acceptable to the Employer, the Employer will substitute this employee for the employee on notice of layoff.

11.04 Recall

- (a) Employees who are laid off shall be placed on a recall list and shall accrue service and seniority for a maximum of twenty-four (24) months.
- (b) Where the Employer determines that it needs to recall staff, employees laid off shall be recalled in reverse order of layoff. Notwithstanding the foregoing:
 - (i) A full-time employee must accept a recall to a full-time position. A full-time employee may accept recall to a part-time position, although recall to a part-time position will not extinguish the right to recall to a full-time position should one become available during the layoff.
 - (ii) A part-time employee must accept a recall to a part-time position, as required.
 - (iii) A part-time employee may not be recalled to a full-time position.
 - (iv) Employees must indicate within forty-eight (48) hours of the recall notice that he or she is willing and able to return to work within the next seven (7) days or the employee shall be deemed to have refused recall and seniority rights.
- (c) An employee and the Employer may agree during the recall period to elect to terminate the employment relationship and the employee would receive any severance to which he or she is entitled under the *Employment Standards Act*. The employee will then be removed from the recall list and the Employer shall have no further obligation with respect to this employee.
- (d) Notice of recall shall be by telephone and, if the employee cannot be reached, shall be sent by next day courier to the employee's last known address and shall be deemed delivered at 10:00 a.m. on the following business day regardless of actual delivery. It shall be the employee's responsibility to keep the Employer advised of his or her current telephone number and address at all times.

(e) In the event of recall the Union shall be notified.

11.05 Grievances regarding layoff shall be initiated at Step 2 of the grievance procedure but must be initiated within the ten (10) days required for filing of all grievances.

11.06 The Employer shall maintain the payment of its share of any applicable benefit premiums up to the end of the month following the month of layoff or such longer period as is required under the *Employment Standards Act*.

After backfilling any job where there is estimated to be a temporary vacancy of more than thirty (30) work days, the Employer will recall the senior laid off employee who is able to perform the job which has been vacated by the backfilling employee.

ARTICLE 12 – NO HARASSMENT/NO DISCRIMINATION

12.01 In accordance with the provisions of the *Labour Relations Act*, the Employer, employees and the Union agree that there will be no harassment or discrimination exercised or practised by them or their representatives because of membership or non-membership, activity or lack of activity in the Union.

12.02 The Employer, employees and the Union agree they all have rights and obligations under the *Ontario Human Rights Code* to ensure a workplace free from discrimination on the basis of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, age, record of offences, marital status, family status or disability.

12.03 It is recognized that where there is a complaint of harassment or discrimination that is occurring amongst union members in the bargaining unit, the Union should be provided with an opportunity to address the issue. However, it will be at the discretion of the employee as to whether the Union will be involved. The Union may establish its own policy for doing so although nothing in this policy will detract from the Employer's ability to address such an issue if a complaint is made to it or if the behaviour is having an impact on the management of the workplace. Where the Employer receives a complaint amongst bargaining unit members, it will inform the Union.

12.04 The Employers Workplace Violence and Harassment policy will be made available to all employees and the Employer agrees that where it conducts training around this policy, it will offer training to all of the Union Committee and Stewards persons.

ARTICLE 13 - HOURS OF WORK

13.01 (a) The normal hours of work for all full-time employees shall be an eight (8) hour shift (exclusive of unpaid breaks) per day and the normal work week shall be five (5) days. The normal daily hours of work shall not be construed as a guarantee of any minimum number of hours. All full-time employees will be scheduled at least forty-eight (48) consecutive hours off work in every work week except in those emergency instances

where there are no available non-overtime employees or where required for a rotational schedule changeover or subject to a negotiated work week agreement.

- (b) Should the Employer and the Union agree to establish a shift schedule or negotiated work week arrangement for the Security Department requiring regular shifts longer than eight (8) hours per day, the Agreement, if so stated, will become an appendix to this agreement and will be enforceable as part of this Agreement.

13.02 The Employer will post the various working schedules in appropriate locations at least two (2) weeks in advance. The Employer will give at least forty-eight (48) hours of notice of its intent to change a full-time employee's schedule, unless change is approved by the affected employee or in case of an emergency or circumstance outside the control of the Employer.

13.03 A shift schedule for part-time employees will be posted at least fourteen (14) days prior to the commencement of the shift for that work already available and known to be required at the time of posting ("core schedule").

13.04 It is understood that the posted core part-time schedule is subject to change as shifts become available, are no longer required and/or are assigned. Following the posting of the core schedule part-time employees shall review the schedule and are required to check the schedule on an ongoing basis for any changes to their scheduled shifts. Where possible, the Employer will notify employees of any changes to their schedule. Where a part-time employee is not at work on the day the shift is posted nor scheduled again prior to the newly assigned shift, he or she will be called by the Employer. Employees must be available to receive such calls by maintaining a voice mail system or by returning calls on call display and failure to maintain such a system relieves the Employer of its obligations.

13.05 The available core hours will be distributed as equitably as possible amongst the part-time employees having regard to shift preference. Shift preference is not a guarantee.

The part-time employees will each submit, and may amend twice per year (effective January to June, and July to December annually) a Shift Preference sheet indicating his or her preferred core shift and these preferences will be used in the assignment of core shifts by seniority.

After the core schedule has been posted, where additional shifts become available for work these will be offered on a seniority-rotation basis to part-time employees.

If no employee accepts the shift, the shift will be assigned to the most junior part-time employee within the same job classification, on a rotational basis, provided the shift does not incur overtime and allows for a minimum of eleven (11) hours between shifts.

13.06 Schedule Adjustments

Where a part-time employee knows absolutely that he or she is not going to be available for work, he or she may request a schedule adjustment. Each part-time employee may request up to six (6) schedule adjustments per calendar year. All such requests must be submitted to Scheduling at least two (2) weeks in advance and where the time off request is not on a

posted schedule. For new employees, adjustment days will be prorated for the first calendar year.

13.07 Switching Shifts

With a minimum of twenty-four (24) hours notice prior to the shift, an employee can switch a shift with a co-worker in the same classification, and with the same qualifications. Full-time employees can only switch shifts of equal length. Part-time employees may switch shifts of different lengths. The employees involved must submit the shift switch in accordance with the Employer's procedure for doing so. The Manager or designate may approve a shift switch with less than twenty-four (24) hours notice at his/her discretion where there are extenuating circumstances.

13.08 The Employer will not be responsible or liable for overtime rate claims that might arise or occur as a result of the exchange of shifts. Except in exceptional circumstances, no employee will work in excess of thirteen (13) hours in a day and employees will be provided with at least eleven (11) consecutive hours free from performing work in a day.

ARTICLE 14 –REST PERIODS

14.01 Subject to 14.03, employees will be provided with a fifteen (15) minute paid rest period during each half shift. This rest period cannot commence before the end of the first hour of an employee's shift nor shall the rest period be given before one (1) hour has elapsed after an employee's lunch period. Employees will also be provided with an additional fifteen (15) minute paid rest period if they are scheduled to work more than ten (10) hours.

14.02 Employees working shifts of six (6) hours or less will only be provided with one (1) fifteen (15) minute paid rest period.

14.03 Notwithstanding the provisions of this Article, with individual agreement employees may take their rest periods at different times and in a different manner than specified in this Article.

14.04 Paid breaks will be taken on location and all breaks will be taken away from the gaming area out of the public eye and in a designated area.

14.05 If employees are required to work more than three (3) hours beyond a regularly scheduled shift of at least eight (8) hours in length, they will be eligible to receive a meal up to a maximum twenty dollars (\$20.00) value, upon their request. If the employee receives three (3) or more meals in one (1) week, they will be subject to tax requirements as per Canada Revenue Agency.

14.06 Unless otherwise provided in this Agreement or an agreement under 13.01(b), employees shall receive thirty (30) minutes unpaid lunch period, provided the employee is working a shift in excess of five (5) hours.

14.07 Employees will be required to remain on site and maintain radio contact during any unpaid meal period. Where the Employer calls an employee who is on lunch and requires that he or she leave to address a workplace issue then they will be allowed to continue the lunch after completion of the work assignment. In cases where the break cannot immediately be

resumed to completion following the workplace issue, a full replacement unpaid lunch period will be provided. If no alternate meal period can be practically scheduled, he or she will be paid at his or her regular rate or, where applicable, at the overtime rate for the time worked. In such cases, the Employer will also provide a meal up to a maximum twenty dollars (\$20.00) value, where requested.

ARTICLE 15 – OVERTIME

- 15.01 The parties to this Agreement recognize that the needs of the business require the performance of overtime work from time to time. All overtime will be approved in advance by the Department Manager or designate.
- 15.02 If an employee is eligible for overtime, he or she will receive overtime pay which shall be paid at the rate of one and one-half (1 ½) times the employee's regular hourly rate in respect of all pre-authorized hours worked:
- (a) in excess of their scheduled shift or forty (40) hours weekly for a full-time employee whose normal shift is eight hours on a fixed non-rotational basis, or;
 - (b) in excess of their scheduled shift or eighty (80) hours bi-weekly for a full-time employee whose normal shift is rotational or greater than eight hours, or;
 - (c) in excess of their scheduled shift or eighty (80) hours bi-weekly, for a part-time employee whose shift is eight (8) hours or greater. For a part-time employee who works a shift of less than eight (8) hours, overtime eligibility does not occur until the employee has worked at least eight (8) hours, or;
 - (d) in excess of such longer shift as agreed or may exist due to an agreement under 13.01(b); or in excess of such averaged hours as agreed or may exist due to an agreement under 13.01 (b).
- 15.03 Where an employee is absent due to bereavement, vacation leave or a lieu day (paid or unpaid), such hours not worked will count towards calculating the hours referred to herein.
- 15.04 For the purpose of this Article, the "week" commences at 12:01 a.m. Sunday morning.
- 15.05 There shall be no duplication or pyramiding of hours worked for the purpose of computing overtime or any other premium payment.
- 15.06 Hours worked on a Paid Holiday, as provided in Article 30 - Paid Holidays in the Collective Agreement, shall count towards overtime eligibility and this shall not be considered a duplication or pyramiding of premium compensation.

ARTICLE 16 – OVERTIME EQUALIZATION

- 16.01 Scheduled overtime (e.g. overtime required for staffing special events) will be evenly distributed when reasonably possible among those employees on the same shift. In the event

an employee voluntarily misses a turn at such overtime, the employee shall be considered as having worked that turn insofar as distribution of such overtime is concerned.

- 16.02 When the Employer requires an employee to work overtime that is not scheduled more than forty-eight (48) hours in advance, the Employer will invite employees to work overtime in accordance with the following procedure:
- a) Offered to part-time employees who are not scheduled to work, in order of seniority and not in an overtime position. This will be voluntary.
 - b) Offered to full-time employees who are not scheduled to work, in order of seniority, and not in an overtime position. This will be voluntary.
 - c) Offered to full-time or part-time employees who are not scheduled to work, in order of seniority and are in an overtime position. This will be voluntary.
 - d) Shift extension offered to full-time or part-time employees who are working the shift before or after the shift affected, in order of seniority. This will be voluntary.
 - e) If insufficient employees volunteer to work overtime, the Employer will advise the most junior qualified worker to perform such work and such work assignment will be for no longer than two (2) hours in duration. The Employer will endeavour to notify the affected employee within thirty (30) minutes of when the overtime is to commence.
- 16.03 New hires into the bargaining unit will be credited with the average number of overtime hours of the employees.
- 16.04 If the Union feels that the overtime has been distributed improperly, they may request and the Employer will provide a copy of their overtime tracking for that classification. Any verified claim of improper distribution shall result in the employee being given an opportunity to work overtime within seven (7) days of verification or if overtime is unavailable, the employee will be paid the missed overtime. Such overtime will not displace another employee.

ARTICLE 17 – JOB POSTING AND SHIFT SCHEDULE POSTING

- 17.01 Where a full-time shift/line becomes available, the employer will post, within thirty (30) days, the availability of a shift/line and days off schedule for three (3) days and will assign the shift/line to the most senior full-time employee in the classification who expresses a desire by placing his or her name on the notice and indicating his or her shift/line and schedule preference. The next two (2) subsequent shift/line vacancies will be filled as part of the same process above. Once this process is complete, the Employer may continue to post the vacant shift/line or may assign the necessary shifts amongst part-time employees. It is the responsibility of interested employees to indicate their interest in the posting in writing on a Departmental Shift Posting Form.
- 17.02 In the event new jobs (full-time or part-time) are created or vacancies in existing job classifications occur and the Employer intends to fill the vacancy, the Employer will post such new jobs or vacancies in order to allow employees to apply. The job posting will include the classification, department, and may include the starting shift and days off. It is understood that, in any event, the starting shift and schedule will be the remaining one following the shift schedule process in 17.01. When the Employer offers the position to the successful applicant, the Employer agrees to clearly communicate the shift package including approved vacation to the employee prior to the employee accepting the position. Where the Employer requires

a temporary full-time replacement expected to exceed three (3) months in duration, this absence will be subject to this posting procedure. Required temporary part-time replacements, where a part-time employee is expected to be absent for in excess of three (3) months, will also be subject to this procedure.

- 17.03 The Employer will provide the Union with a list of all applicants after the posting has closed and will also provide notice of the successful applicant(s). If an employee grieves a job competition under this Article, the Employer will provide, at the Step 2 meeting, the documents and records upon which it relied in the making of its decision.
- 17.04 Postings shall clearly indicate the deadline date for the application and the location or persons to whom applications shall be made. The posting period shall be for not less than five (5) calendar days from the date of posting. The successful applicant will be placed in the new position as soon as possible once their previous position has been filled (or such earlier time at the Employer's discretion) and it is understood that subsequent vacancies arising from a posting also will be posted for five (5) calendar days.
- 17.05 No applicant from outside the bargaining unit will be hired unless the posting and selection process is completed and no bargaining unit applicant was selected. If no applications are received from seniority employees, or if none of the applicants is awarded the posted vacancy, the Employer may fill the vacancy in such manner as it determines.
- 17.06 Preference for full-time postings will be given to part-time employees currently working in the classification where the vacancy exists. Accordingly, the position will be offered to the most senior part-time applicant from within the classification having regard to an acceptable file review. The Employer will establish a threshold for the file review and discuss the threshold with the Union prior to posting the position. Only applicants who meet the minimum threshold will be considered.
- 17.07 Successful applicants will be afforded required training in their new position.
- 17.08 Where an employee bids or posts to a new schedule, his or her approved and scheduled vacation will only be honoured where it can be accommodated in the schedule of the new shift.
- 17.09 Employees on an approved leave of absence who have a foreseeable date for return to work shall be entitled to post on positions during their leaves of absence. Should such employees be the successful applicant, the position will be filled pursuant to the provisions of this Article, until such time as the person on leave returns to work.
- 17.10 Should any temporary full-time position under this Article be filled by a part-time employee, they shall, for the duration of the Temporary Posting, be afforded part-time benefits at no cost to themselves.
- 17.11 If additional personnel are required within forty-five (45) days after the date the original position was posted, the position will not be reposted and a candidate will be selected from the original qualified applicants.

An Employee may pre-apply for any posting while he/she is on an approved leave by submitting their interest in writing to the HR Manager or designate and copying the Security Manager.

- 17.12 A full-time employee may request to move into a part-time position by providing the Employer with 6 weeks' notice in writing. This request will be approved if the Employer intends to backfill the full-time vacancy.

ARTICLE 18 – PART-TIME EMPLOYEES

- 18.01 All references to employees in the Collective Agreement apply to part-time employees, except as specifically provided (or as amended by this Article) or as required by construction of the Agreement.
- 18.02 The parties recognize that the nature of the Employer requires the use of part-time employees to meet the demands of its business.
- 18.03 The parties further recognize the preference of the Union to have as many full-time employees as is reasonable in the business. It is recognized that in order to meet operational needs, the employment of part-time employees is necessary. The Employer will maximize the number of full-time positions available.
- 18.04 Part-time employees will be given shift and rest days preference by seniority. This is not a guarantee of shifts or hours of work.
- 18.05 Part-time employees, except those on temporary full-time postings, will not regularly work in excess of twenty-four (24) hours per week except in the following circumstances:
- (i) When replacing employees absent due to illness or injury for a known duration.
 - (ii) When replacing employees absent due to vacation leave or Union leave.
 - (iii) When working the Christmas Holiday Season (mid-December to early January).
 - (iv) Due to increase in patron volume as a result of unique or short term business needs.
 - (v) In the event of emergency.
 - (vi) As a result of shift switches and/or shift giveaways.
 - (vii) When scheduled for training
- 18.06 Where the Employer schedules a Part-Time employee to work five (5) consecutive days, the employee will be provided forty-eight (48) consecutive hours of rest immediately after the fifth (5th) scheduled day, unless mutually agreed upon to work a sixth (6th) or seventh (7th) day.
- 18.07 If requested in writing by a Part-time Employee, the Employer will endeavor not to schedule the employee on a night shift before an approved vacation, vacation day, lieu day or adjustment day.

ARTICLE 19 – TEMPORARY TRANSFERS

- 19.01 An employee temporarily transferred by the Employer to a higher rated classification in the bargaining unit will receive the higher rate or their own rate, whichever is higher, for the work performed in the higher classification.

An employee who is transferred by the Employer to a lower rated classification in the bargaining unit will maintain his or her rate of pay in effect at the time of such transfer, for the duration of the transfer.

An employee exercising seniority rights to transfer to a lower rated position in the bargaining unit will receive the rate of the lower classification based on their current step progression.

ARTICLE 20 – TRANSFERS OUT OF THE BARGAINING UNIT

- 20.01 Employees who are or have been appointed or selected for a supervisory position, or for any position not subject to the provisions of this Agreement, will not be covered by the provisions of this Agreement. However, an employee transferred out of a bargaining unit and who is later transferred by the Employer back to a position which is covered by this Agreement will be credited with the seniority the employee had accumulated immediately prior to transfer out of the bargaining unit.

If the transfer of an employee back into the bargaining unit necessitates an employee with less seniority being displaced, the employee with the least seniority shall be displaced.

- 20.02 Employees having been employed only in positions outside the bargaining unit, if subsequently transferred to a bargaining unit position, will be considered new employees for the purpose of seniority.

ARTICLE 21 – NEW CLASSIFICATIONS

- 21.01 When a new classification is created within the bargaining unit, the Employer will establish a wage rate and classification for such a new job and agrees to discuss with the Union its rationale for the rate. Vacancies within new classifications shall be posted with sufficient description of the work to be performed within thirty (30) calendar days of the start-up of the new position and any experience gained as a result of a temporary assignment will not be considered as qualification for the posting. The posting will be filled in accordance with the job posting provisions of the Collective Agreement.

- 21.02 The Employer will provide the Union with copies of its job descriptions for all bargaining unit classifications. In the event that new job classifications are created, the Union will be notified and will receive a job description when such is prepared.

ARTICLE 22 – TRAINING

- 22.01 Save and except for any voluntary training, all training provided by the Employer will be paid training and will be provided during regularly scheduled hours of work. Where such training

of full-time employees is done outside regular scheduled hours it will be paid at the applicable overtime rate.

ARTICLE 23 – NEW EMPLOYEE ORIENTATION

- 23.01 The Employer provides new hires with orientation. Where the new hires are in the bargaining unit, the Employer will arrange for up to one (1) hour of that orientation to be provided by the Union.

ARTICLE 24 – SUPERVISORS WORK

- 24.01 Supervisors and other persons who are not in the bargaining unit will not perform the core functions of the work normally performed by the bargaining unit employees except:
- During emergency situations
 - To prevent interruptions to the business where it is not possible to have reasonable access to bargaining unit members;
 - To respond to guest needs where it is not possible to have reasonable access to bargaining unit members;
 - For the purposes of instruction or training
 - The exceptions above will not be used to deprive any bargaining unit employee of scheduled work time.

ARTICLE 25 – LEAVE OF ABSENCE

- 25.01 All leaves of absences must be requested using a Leave of Absence form. Except in cases of emergency leave, such request must be made at least two (2) weeks prior to the requested starting date of the leave, and may only be made by employees with six (6) months of continuous employment. The Manager will respond in writing within five (5) days of receipt of written request from the employee.
- 25.02 Subject to any Policy restrictions around active employment or duration of absence, an employee may maintain health and dental benefits (save and except disability benefits) during an approved leave if he or she arranges in advance to pay the cost of such benefits. During a pregnancy leave or parental leave benefits will be maintained provided the employee makes advance arrangements to pay his or her share of the premium payments.
- 25.03 Extensions of personal leaves will only be granted if sought in advance of the expiry of the original leave and are subject to the same considerations as an original leave request. No outside work may be entered into nor may hours of work elsewhere be expanded while on a personal leave of absence unless specific permission for this is sought in advance.

25.04 Union Leaves

The Employer will grant a leave of absence without pay but without loss of benefits or seniority to up to three (3) members of the Union to attend Union business, at any one time, outside the facility for up to a total of forty-five (45) cumulative days per year, provided proper advance notice was given to the Employer. The Employer will continue the wages for any regular scheduled shifts of an employee on such leave and will bill the Union monthly for reimbursement.

Where a part-time employee takes more than one full day of union leave in a week, they will be credited with the average hours that they have worked in the last twelve (12) weeks preceding the week of the leave or their actual hours worked at Gateway Casinos Innisfil that week, whichever is greater, towards part-time benefit qualification in 52.05. The parties agree to recognize hours spent on approved Union leave in the calculation of total hours worked for the purposes of Articles 13.01 and 18.06.

25.05 When a seniority rated employee is elected or appointed to a full-time position with the Union, the Employer shall, upon four (4) weeks' written notice, grant a leave of absence without pay and without loss of seniority for the duration of such leave for one (1) employee at a time for at least three (3) months and up to three (3) years. During this time period, the employee may, upon four (4) weeks written notice, be returned to the position held immediately prior to the commencement of the leave. This leave of absence is limited to one (1) employee at any one time during the life of the agreement. If requested, the Employer will maintain the employee's pay and benefits and invoice the Union for these costs.

25.06 Military Leave

An employee who is an active member of a Canadian Forces Reserve Status Militia Unit will be granted Reserve Training leave of up to one (1) week with pay (no more than 40 hours) and one (1) week without pay in each calendar year. The employee must provide proof of training and receive prior to approval by providing at least two (2) weeks notice to the Human Resources Manager or designate. An unpaid leave of absence will also be granted to fulfill a military deployment/obligation if he or she is called into Active Military Status, provided that a copy of the official employment standing order accompanies the Leave of Absence Application form. The employee's seniority and service will continue to accrue during such leave.

25.07 Political Office Leave

An employee who is elected to the Municipal Government will be granted a leave of absence without pay or benefits to fulfill his or her term of office. A written request for such leave of absence must be presented to the Employer at least three (3) weeks in advance of when the leave of absence is to commence. Employees who are granted a leave pursuant to this sub-article will have their seniority accrue during such leave of absence. An employee returning to work from such leave of absence will inform his or her employer at least three (3) weeks in advance. Employees elected to the Provincial or Federal Government will resign from his or

her employment to avoid any appearance of a conflict of interest. In every case an employee running for such office must take an unpaid leave of absence during the election campaign.

 - (i) personal illness, injury or medical emergency
 - (ii) death, illness, injury, medical emergency of, or urgent matters relating to family members as defined in Article 27 – Bereavement Leave

- 27.01 In the event of the death of a seniority employee's immediate family member, the employee shall be granted an excused absence of four (4) normally scheduled consecutive and complete work days (irrespective of regular days off and holidays). It is agreed and understood that "days leave" in the case of part-time employees, means the next four (4) days commencing with the date of death (or the day of the funeral if outside those four (4) days), whether scheduled or not, and in the case of full-time employees, means the next four (4) scheduled shifts (irrespective of regular days off and holidays). One (1) day of the bereavement leave may be taken at a later date to attend a memorial service or celebration of life which otherwise would fall outside of the original consecutive days of bereavement.
- 27.02 Immediate family for the purposes of this Article shall mean the employee's spouse including common-law or same sex partner, and the employee and their spouse's parent, step-parent, child, step-child, spouse of child, grandparent, step-grandparent, grandchild,

- 27.05 Up to two (2) additional days of leave without pay will be provided to attend the funeral of any listed family member in this Article where the distance to the funeral is greater than eight hundred (800) kilometers away from Gateway Casinos Innisfil and where sufficient proof of need is provided.

ARTICLE 28 – JURY DUTY/WITNESS DUTY

- 28.01 An employee who has completed his or her probationary period called for jury duty or jury duty selection or subpoenaed as a Crown witness shall receive for each day absent from regular scheduled working hours, the difference between hourly earnings lost and the amount of jury or witness fee received, providing the employee furnishes the Employer with a Certificate of Service signed by the Clerk of the Court showing the amount of any fee received.
- 28.02 Employees are required to report for work on days when they are not required on jury duty, jury duty selection or to testify as a subpoenaed witness under 28.03 below in a court of law. Employees on jury duty who work in classifications that operate seven (7) days per week will, if they are on jury duty for more than three (3) days, be notionally placed on a Monday - Friday schedule matching the jury duty until the end of the week the jury duty or testifying as a subpoenaed witness concludes so as to minimize any disruption with their normal earnings and time at home while still meeting the employer's operational requirements. The purpose of this Article is to ensure that employees shall receive consistent hourly earnings from the Slots despite the Jury/Crown Witness duty.

ARTICLE 29 – VACATION

- 29.01 All regular full-time employees shall earn vacation credits based upon their service.

The vacation entitlement for regular full-time employees is listed below. As full-time schedules may vary daily, the vacation entitlement is expressed in total hours.

Years of Service	Hours Per Calendar Year / Days	Percentage
First to three years	80 hours/10 days	4%
Three to eight years	120 hours / 15 days	6%

At eight years	160 hours / 20 days	8%
At fifteen years	200 hours / 25 days	10%
At twenty six years	240 hours / 30 days	12%

On January 1st of each year, employees are advanced a full year's vacation credits based on their years of service. If an employee commences, terminates or changes employment status (e.g: part-time to full-time) during the year, their credits will be pro-rated. If an employee terminates his or her employment and has been paid more vacation than the year's entitlement, the extra vacation paid will be deducted from their final pay.

For employees reaching their next entitlement level during the year, they will be advanced the vacation time and pay entitlement on January 1.

Vacation time must be taken during the calendar year in which it was earned except for exceptional circumstances. Up to forty (40) hours of vacation time earned during a year may be carried over into the first three (3) months of the following calendar year if the employee so requests in writing prior to December 1 and subject to the Manager approval. Any vacation not booked by the end of September may be scheduled by the Employer between then and March 31st of the following year.

Each department will designate when vacation can be taken and how many employees may be off at any one time. A copy will be provided to the Union Chairperson.

Vacation may not be taken, except in exceptional circumstances, in the first six (6) months of service.

29.02 Vacation Entitlement for Part-Time Employees

Part-time employees will receive vacation payment and unpaid vacation days, on the following basis. The vacation entitlement is based on years of continuous service with Gateway Casinos Innisfil.

Years of Service	Vacation Payment	Unpaid Time
First to three	4%	2 weeks (1 week + 5 days)
Three to 8 years	6%	3 weeks (2 weeks + 5 days)
At 8 years	8%	4 weeks (3 weeks + 5 days)
At 15 years	10%	5 weeks (3 weeks + 10 days)
At 26 years	12%	6 weeks (4 weeks + 10 days)

For Part-time employees, vacation is paid bi-weekly and calculated on total earnings for the bi-weekly pay period. Part-time employees may book their weeks and their days of unpaid vacation time each year. Weeks above must be taken as calendar week blocks of time away from work while days may be used individually. For purposes of part-time vacation scheduling, a calendar week means "seven consecutive days" from Monday to Sunday.

For employees reaching their next entitlement level during the year, they will be advanced the vacation time and pay entitlement on January 1st of that year.

Part-time employees will have the option of banking vacation pay which can be paid out on written request of the employee. All remaining vacation pay will be paid out in January of the following year.

29.03 Vacation Scheduling

Employees will be informed of their vacation entitlement each year. Vacation picks will be completed by November 30 each year for the following year.

Vacations will be selected and scheduled each year based on seniority date, with full-time employees selecting first. Vacations will be selected by seniority on a rotational basis with the most senior employee being able to select a maximum of forty (40) hours before the next senior employee gets the opportunity to select his or her forty (40) hours until the vacation dates have been selected.

Pick 1 Employees by seniority will pick up to two (2) one (1) week blocks (40 hours) or one (1) two-week block (80 hours).

Pick 2 Employees by seniority will pick a one (1) week block (40 hrs).

Pick 3 Employees by seniority may pick their next one (1) week block (40 hrs.)

Pick 4 Employees by seniority will pick the remainder of their eligible vacation time. Vacation may be picked in a one (1) week block(s) or individual days.

Any vacation that is not scheduled in the scheduling period will be taken at the discretion or as directed by the Employer and is subject to operational requirements. This vacation must be requested two (2) weeks in advance of the requested time off and prior to the schedule being posted. The Department Manager, or designate, may approve a vacation request with less than two (2) weeks notice at his/her discretion where there are extenuating circumstances.

Employees will be allowed to cancel approved vacation with two (2) weeks written notice and prior to the schedule being posted. Vacation can only be cancelled in the same manner as the vacation was originally selected (ie. blocks or individual days). Employees are required to reschedule any cancelled vacation in the same manner as the vacation was originally selected (e.g. a cancelled week block of vacation must be rebooked as a week block).

An employee who has earned vacation credits under the terms of this article and retires, quits or is terminated, shall receive payment in lieu of vacation due such employee. In the case of death, such employee's authorized beneficiary or estate shall be entitled to such employee's payment in lieu of vacation.

Where an employee posts to a new position or where the departmental schedule changes, his or her vacation will be honoured where it can be done so without it impacting on the operation or other employee's previously booked vacation.

29.04 Death in Family During Vacation

An employee who, while on scheduled vacation, becomes eligible for bereavement leave will be able to reschedule the vacation days affected by the bereavement leave. Such vacation

will be taken at a time mutually agreeable to the Employer and the employee.

- 29.05 Where an employee becomes ill and eligible for STD prior to his or her vacation commencing shall have the right to temporarily terminate his or her vacation and when he or she becomes fit it will be rescheduled on mutually agreeable dates. If the employee recovers prior to the completion of the scheduled vacation, he or she will take vacation on those dates.

Good Friday	Thanksgiving Day
Victoria Day	Christmas Day
Canada Day	Boxing Day

- (b) Float Days.

In lieu of the removal of Easter Monday and Remembrance Day the parties agree that full time and part time employees, who have passed probation, will be given two float days per year, starting January 1, 2019. For new eligible employees, the days will be prorated based on the date they pass probation. The days are to be used by the end of each calendar year, and cannot be carried over. The days must be taken at a time mutually agreed between the Employer and the Employee. The days will be paid at the Employees regular rate of pay for a regular days pay.

- 30.02 It is agreed and understood that given the nature of the Employer's operation, employees may be required to work on a holiday. Where an employee is scheduled to work on any one of the above-mentioned holidays, then in addition to any holiday pay he or she may qualify for, he or she shall be paid at the rate of time and one-half (1 ½) his or her base hourly rate, for all hours worked between 12:01 a.m. and 11:59 p.m. on the holiday.

- 30.03 In order to qualify for holiday pay, employees must work their last regularly scheduled day of work before and their first regularly scheduled day of work after the holiday, unless:

- (a) absent on vacation;
- (b) absent on either of those days and such absence is authorized by the Employer based on a medical certificate by a qualified physician which is submitted to the Employer on the day the employee returns to work;
- (c) absent due to an emergency situation related to the employee or an immediate family member that arose on short notice and could not be addressed outside of working hours and provides such reasonable proof as may be required;

fail, without meeting the requirements in paragraph 30.03 (b) or (c) above, to work their entire shift (unless an early out is authorized) on the paid holiday, will not be eligible for premium pay or holiday pay.

- 30.04 Subject to the particular provisions next following, holiday pay will be calculated in accordance with the *Employment Standards Act* of Ontario, as amended.

Full-time employees who are scheduled to work on the public/paid holiday and are unable to do so due to illness will receive holiday pay and may be required to provide medical documentation for the absence.

Full-time employees who are in receipt of WSIB and are not on modified work will not receive holiday pay.

Where a holiday falls on a day when an employee is not scheduled to work or during an employee's vacation, and that employee otherwise qualifies for a paid holiday, then that employee shall be granted banked paid lieu time.

- 30.05 All employees who qualify for holiday pay will have his or her holiday pay and corresponding lieu time banked automatically, unless he or she provides a request form to be paid in advance to his or her supervisor. It is agreed that no more than five (5) days of lieu time may be carried at any one time by an employee or will be paid out. In order to schedule a lieu day, the employee must have banked the lieu day and must request the lieu time at least two (2) weeks in advance of the requested day off and prior to the schedule being posted. Lieu time will only be granted subject to the operational needs of the department.

Part-time lieu time will be managed in the same manner as full-time lieu banks are managed. Part time employees will be able to carry up to five (5) days of earned lieu time. If a Part-time employee requests a lieu day, the request will be approved if the individual has a minimum of six (6) hours in their bank. ARTICLE 31 – DISCIPLINE

- 31.01 The Employer will provide advance notice to the Union of any meeting with an employee where the Employer is investigating an issue that may result in discipline for that employee. A Union Steward or Committee Person will be able to attend this meeting. It is understood that the Union will not impede the Employer's ability to ascertain the facts.

When an employee is called to a meeting by the Employer where discipline or discharge will

be imposed, the employee will have a Union Representative present. In the event of discipline, the interview will not proceed until a Union Representative is present and this provision is mandatory.

Where discipline or discharge is sent to an absent employee by letter rather than in person, the Union Representative will be provided with a copy of the letter.

31.02 Where an employee maintains a record free from discipline for a period of twelve (12) months, all records of discipline (save and except for serious misconduct) will not be relied upon in future discipline and all discipline will be removed from an employee's file after forty-eight (48) months (save and except for serious misconduct).

(a) Serious misconduct includes but is not limited to:

- (i) A breach of the Ontario Human Rights Code
- (ii) Health and safety infractions threatening health
- (iii) Violence, swearing or threats of violence directed at a customer, co-worker or supervisor or other insubordination.

31.03 "Discipline" is defined to include any recorded discipline issued to an employee. A copy of any recorded discipline will be given to the Union Committee. Coach and counsels and other daily supervisory corrections, which may also result in notes being maintained and placed in an employee's file for a period of six (6) months, are not disciplinary and may not be grieved. These will only be admissible at hearings to demonstrate an awareness and understanding of the Employer's expectations and for no other purpose. Coach and counsels and other daily supervisory corrections will be given discreetly off the gaming floor.

31.04 The Employer maintains its surveillance system for the purpose of safeguarding its assets and maintaining the integrity and security of Gateway Casinos Innisfil. Where the Employer intends to rely upon video surveillance recordings or reports as evidence of employee wrongdoing to support discipline, the affected employee will be allowed to request and review the video recording. The Employer will also permit a Committee Person and/or an AGCO licensed Local/or National Representative of the Union, to review the surveillance report so as to discuss the video content and will then return the report. Subject to Article 54, the Committee Person and/or Local/or National Representative may also view the video at Step 3 of the grievance procedure. The Union may otherwise obtain video evidence or surveillance report when such is subject to a "Raymond Order" by an arbitrator properly seized with a grievance. Where the Union identifies a specific event or a series of events in a suspension or discharge grievance and makes a timely request that any available video surveillance records be maintained, the Employer will do so and the video may be provided to the Union subject to an Arbitrator's order.

31.05 In the case of an investigative suspension, the Employer will have the right to suspend the employee, with pay. Such a suspension is not disciplinary. The Union will be notified of all investigative suspensions at the time of issuance. Notwithstanding the foregoing, if such suspension is the result of action involving a regulatory or law enforcement agency which results in an investigation of more than five (5) days, such longer period shall be without pay.

31.06 It is agreed that discipline should be issued in a timely manner. In most circumstances discipline is to be given within the first five (5) days the employee works following the date of the incident or the date the Employer became aware of the incident, unless the incident is being investigated by a law enforcement or regulatory agency. Where there is a basis for the request to extend time limits and where the request is made in writing (including via electronic mail) in advance of the expiry of the time limits, consent to a brief extension will not be unreasonably withheld.

31.07 Where a dismissal is for theft, attempted theft, embezzlement or any other fraudulent actions (whether involving the Employer, coworkers or customers), the Employer must establish that the employee committed the offence and will do so on the basis of clear and cogent evidence. If it is established to an Arbitrator's satisfaction that the employee committed the offence then the dismissal shall be deemed to be for just cause and the arbitrator shall have no power to alter or substitute the penalty.

In discussions with the Union, the Employer may impose a disciplinary penalty short of discharge for an offence listed above, in light of the specific circumstances of the case and such penalty shall also not be subject to an Arbitrator's discretion. The imposition of such a penalty in one case shall not operate as a limit to management's discretion to impose the penalty of discharge in another case.

ARTICLE 32 – GRIEVANCE PROCEDURE

32.01 A grievance shall be defined as any difference or dispute between the Employer and the Union regarding the interpretation, application, or administration of this Agreement, including any questions as to whether a matter is arbitrable and an allegation that this Agreement has been violated. The parties agree and acknowledge a grievance may also be a dispute about an employment related statute.

32.02 Employees who believe they have a grievance that is not a disciplinary suspension or termination should first take the matter up with their Supervisor within five (5) calendar days of the date on which the circumstances giving rise to the complaint became known or ought to have been known. Employees may be accompanied by their Steward or Committee Person if they so desire, when speaking to the Supervisor. In any event the Steward or Committee Person must discuss the grievance with the Employer's designated representative or the supervisor in the employee's area before the grievance is created. If the complaint is not satisfactorily resolved within four (4) calendar days after the above discussions have occurred, the grievance may then be filed as set out below:

Step 1

The Supervisor or Department Manager shall respond with a decision to the Steward or Committee Person within five (5) calendar days after the date on which the grievance was activated.

The Manager, or designates, may convene a meeting with the applicable Committee Person within five (5) calendar days after receipt of the appeal. The Managers, or designates, shall respond with a decision to the applicable Committee Person within five (5) calendar days after the meeting and, in any event, no more than ten (10) calendar days of the appeal. In putting forward the Step 2 appeal, the name of every affected employee who is seeking a remedy will be provided to the Employer.

Step 3

If the decision of the Human Resources manager or designate is not satisfactory to the Committee Person, the Committee Person may appeal the decision of the Supervisor/Manager to the General Manager or designate, within five (5) calendar days after the Committee Person has received the decision. If there is such an Appeal then a meeting will be held with General Manager or designates, within five (5) calendar days after receipt of the appeal. The Managers, or designates, shall respond with a decision to the applicable Committee Person within five (5) calendar days of the meeting.

- 32.03 A Group Grievance may be created by the Union where employees have identical grievances. Rather than file individual grievances, the Union will file a Group Grievance identifying the names of each of the affected employees and in the interest of the scope of the grievance being defined, a Group Grievance must be signed by all affected employees by no later than the filing at Step 3.
- 32.04 A Policy Grievance is an unresolved issue arising directly between the Union and the Employer around the interpretation, application or administration of the collective agreement and is not a matter that could be brought as an individual or a group grievance.
- 32.05 A Group/Policy grievance must be filed at Step 2 with the Human Resources Manager or designate within ten (10) calendar days after the date on which the circumstances giving rise to it became known or ought to have become known. - 32.06 Grievances involving disciplinary action at Stage 3 will begin at Step 2. Grievances involving Terminations will begin at Step 3 and must be filed within seven (7) calendar days of the issuance of discipline.
- 32.07 The Employer is committed to providing a response at each step of the grievance process, however where no response has been given by the Employer within the time limit specified, the grievance will be deemed to have been submitted to the next step within the requisite time frame.
- 32.08 A grievance which has been processed in the manner prescribed in this Agreement within the time limits prescribed, may be submitted to arbitration in accordance with the provisions of this Article provided written notice to arbitrate is given by the party seeking arbitration to the other party within thirty (30) calendar days after the decision is provided in Step 3. Where

there is a basis for the request to extend time limits and where the request is made in writing (including by electronic mail) in advance of the expiry of the time limits, consent to a brief extension will not be unreasonably withheld.

Notwithstanding the provisions of subsection 48(16) of the *Labour Relations Act*, effective January 1, 2009, no Arbitrator shall have jurisdiction to hear any grievance which is not referred to arbitration within thirty (30) calendar days in strict compliance with the time limits in this Article. Failure to issue notice to arbitrate within this time limit will result in the grievance being deemed to have been abandoned.

- 32.09 If an authorized Union Representative should consider that a provision of this Agreement has been violated, he or she may initiate and sign a grievance on behalf of an individual, which shall be processed in accordance with the foregoing provisions of this Article.

ARTICLE 33 – ARBITRATION

- 33.01 The party wishing to submit a grievance to arbitration shall provide notice of intent to arbitrate. The parties will use a single Arbitrator.

The purpose of the meeting is to clarify the issues or facts in dispute. The parties may make such further representations or adduce such evidence as the mediator may permit or require, but the mediator shall not be obligated to conform to the rules of evidence.

- (c) The parties shall supply the mediator and each other with concise and brief written representations on which they intend to rely which will be exchanged not less than ten (10) calendar days before the commencement of the hearings of the mediator .
- (d) Where the parties agree in writing, a mediator may be provided with the powers and limitations of an arbitrator as set out herein. This meeting will convene no more than once every six (6) months.
